Traffic Safety Plan

Welcome to the new  
School Year !

# Welcome to the '04-'05 School Year!

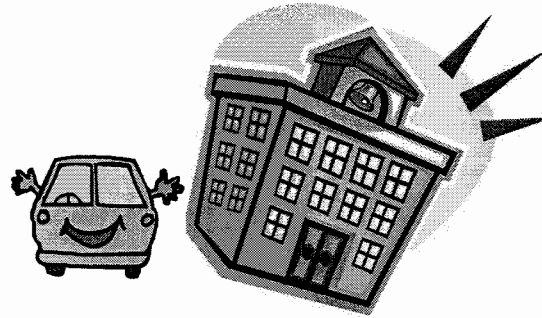

We have new traffic safety features this year.

- \* A new Bus drive-way
- \* New traffic islands at Sequoia & Cypress

In order to ensure all Lincoln students and families arrive and depart safely from Lincoln School, we have developed the enclosed Safe Arrival and Departure procedures.

## If You Walk to School...

- \* Always use the crosswalks and crossing guards where available.
- \* Always use sidewalks when available.
- \* Do not cross any street mid-block.
- \* Do not walk through the teacher parking lot or the bus drive-way.

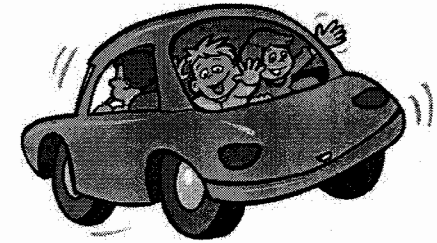

Motorists must yield the right of way to pedestrians crossing a street at a marked crosswalk where there is no traffic signal.

There are crosswalks at:

- \* Badger & Cypress
- \* Hughes & Cypress
- \* Cypress & Sequoia
- \* Sequoia & Hackberry

## If You Drive to School ...

### *Student Drop Off*

- \* Drop Students off on Sequoia or Cypress at the sidewalk next to the school
- \* If driving north on Cypress, or West on Sequoia, drop students off near the intersection of Sequoia and Cypress so students can use the Lincoln Staff Safety Patrol to cross the street.
- \* No student Drop Off on Hackberry

### *If Parent is coming in to the School with the student:*

- \* There is 10 min. parking on Sequoia just across the school from the front office.
- \* This is the only location close to the school for leaving your car.
- \* You may not leave your car at the curb by the school on Sequoia.
