

Leopold School students and staff are working with the Madison Police Department and the Madison Health Department to improve safety for all students. We want all students and families to be safe.

We need the cooperation of all parents and caregivers to make this plan work.

Drop Off

and

Pick Up Plan

Leopold Elementary School

If you walk to school...

Always use crosswalks and the crossing guard to cross streets—do NOT cross mid-block! Crossing guards or student safety patrols are located at:

- Traceway and Post
- Leopold School circle drive
- Leopold school back parking lot
- Todd and Post
- Post in front of school

If you drive to school...

DROP OFF ZONE. The student leaves the car. The adult remains in the car.

- Heading east toward Fish Hatchery, drop off across from Leopold School.
- Heading west toward Todd, drop off in front (same side) of the school.

PICK UP ZONE. The adult remains in the car. The student finds the car.

- Heading east toward Fish Hatchery, pick up across from Leopold School.

- Heading west toward Todd, pick up in front (same side) of the school.

PARK. Adult may park and leave the car on:

- Leopold Way
- Traceway
- Churchill
- Post Road—not in drop off zone

NOTE: There is parking on Post Road across from Leopold School between 8:30am and 2:00pm only.

Do not enter authorized parking only. Signs will be posted at the circle drive and the back parking lot entrance. This is not a drop off/pick up or turn around area.

Please keep in mind...

Observe all street signs and all traffic, parking and pedestrian laws. Beware! The police and parking enforcement will ticket anyone who breaks these laws while dropping or picking up a child.

"No Parking" areas do allow for drop off or pick up but you cannot leave your car unattended!

"No Stopping, Standing, or Parking" means just that! Student pick up/drop off is NOT allowed.

"Do Not Enter"

Government "No Parking" rules:

*It is illegal to park within:

- 4 feet of a driveway
- 20 feet of a crosswalk
- 30 feet of a stop sign

*Drivers *must* yield the right of way to pedestrians crossing a street at a marked crosswalk where there is no traffic signal.
