

Welcome to Franklin School

Your **SAFETY** is important to us!

Driving to School...

- If traveling eastbound on Lakeside, parents NEED to drop their students on Lakeside St. in front of the school. That is the ONLY area that has adult supervision (7:30-7:45). You must stay with your vehicle!
- If traveling westbound on Lakeside, drop off past Clarence St. and have student cross with crossing guard.
- Parents can also park and drop off on eastside of Rowell St.
- If parents need to come into the school, they need to observe all street signs and all traffic, parking, and pedestrian laws. The Madison Police will ticket anyone who breaks these laws while dropping off or picking up their child.

Walking to School...

- Always use the crosswalks and crossing guards to cross the streets.
- Do NOT cross in the middle of the street.
- Always use sidewalks when available.
- Our crossing guard is at Rowell and Lakeside Street.

Riding the Bus to School...

- We STRONGLY encourage all students on bus routes to ride the buses to school.
- Students need to wait for the bus on the sidewalk and stay out of the street.
- Students should enter the bus single file.
- Students should never reach under the bus to get something - ask the driver for help.
- Students need to cross the street at least 10 feet in front of the bus after getting an "ok" sign from the driver.

- We encourage all parents and guardians to meet Franklin students at their bus stops at the end of the day or to have a designated grown-up meet them.

Biking to School

- Students at Franklin School are only allowed to bike to school if accompanied by a parent.
- Students should ALWAYS wear helmets while biking.

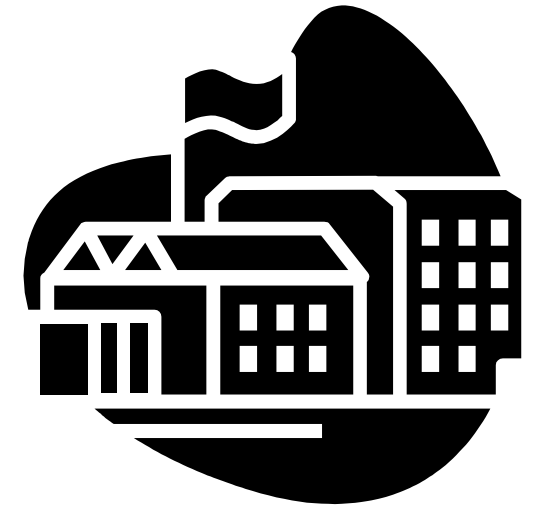

Franklin is an urban school with few parking possibilities. On-street parking is available and marked by the city.

If you have unusual circumstances or require ADA accommodations to access the school, please call the office for help at 204-2292.

These guidelines were created by the Franklin School staff, City of Madison Police, Traffic Engineering, & Health Departments, Madison Area Safe Kids Coalition, the Safe Community Coalition and the Bicycle Federation.
