

Falls Prevention Task Force

Wednesday, October 10

7:30 - 9:00 AM

Oakwood West *

6209 Mineral Point Rd.

AGENDA

Welcome: Cheryl Wittke (Chair Andy Kosseff will be away for this one)
Thanks to Linda Mahlberg and Oakwood for hosting

Overview of Program Evaluation: Pingree Group consultants Suzanne Pingree, PhD and Robert Hawkins, PhD, UW professors emeriti

Discussion Questions:

- What do we need to collect and what is timeline for collecting it?
- What role can task force members play collecting information needed to implement evaluation plan and what tools do they need?
- What coordination is required across organizations, and how will we manage it?
- What should year 1 evaluation report look like; what are we looking for in years two and three?

Committee Reports and member announcements – please share anything additional you think would be of interest to the larger group

Wednesday, December 12, 2007

7:30 – 9:00 AM

Location TBA

* Oakwood is located at 6165-6225 Mineral Point Road. From the beltline, exit on Whitney Way, turn left onto Mineral Point Road, then LEFT into Oakwood at Island Drive or exit onto Gammon Road and turn right onto Mineral Point Road then RIGHT into Oakwood at Island Drive. Heritage Oaks is the huge building you'll see in front of you as you enter.

Keep to the LEFT driveway and follow the signs to Heritage Oaks and the Main Visitor Entrance -- this will be a very short distance. You can park in the Visitor Parking available along the driveway. The circular drive and sidewalk to Heritage Oaks is on the right. Enter through the Main Visitor Entrance. The Westmoreland Room is located behind the reception desk on your right as you enter. There is some handicap parking available near the Main Entrance.
